Questionnaire

Please answer the following questions. Through your responses, we hope to have as complete and accurate an experience of you as possible. We don't necessarily need to be impressed, just clear on who you are – both talents and limitations. Feel free to add whatever you believe will be helpful to us. This allows us to screen potential students, to relate to you personally and to shape the training to the nature of the members of the group.

The entire application need be no longer than three typed pages. Please cover the following three areas:

Occupational History: (Start with the most recent, in the following format)

Job Title:

Job Duties:

Employer:

Educational History:

Educational Institution:

Field of Study:

Your Background and Experience:

1. Give us a brief commentary on your experiences in Hakomi workshops and what draws you to further study in this method?
2. What is your particular plan or vision for applying the Hakomi method? How does Hakomi fit in with your career plans and life goals?
3. Describe your experience working one-on-one with clients. Include the kind of practice, nature of your work, type of clientele and the degree of success/satisfaction you feel you've got from the work.
4. Students are expected to have engaged in extensive personal growth processes. Tell us about your experiences as a psychotherapy, bodywork or movement client. Include both factual details (when, how long, what kind of therapy etc) and personal impact.

5. Students are expected to practice the Hakomi method with non-student clients outside of class time. If you do not have such a setting available to you, please tell us specifically how you will arrange to do this.
6. Using one side of a page or less, describe the kind of person you are.
7. Tell us the way you tend to participate in groups. Include topics like leadership, extroversion/introversion, how you prefer others to be, difficulties you experience etc.
